

Special Resolution

26 Apr 2006

Whereas the Armstrong Co-op has grown to service a larger community within and around Armstrong and Spallumcheen, the Board of Directors is presenting the following Special Resolution for the membership to consider.

It is the intention that the offices and facilities of the Armstrong Co-op will remain in Armstrong & Spallumcheen. While the focus of the business remains centered around Armstrong and Spallumcheen, the intent is to make the name and operations more inclusive for those members from areas outside of our traditional market.
